Morning debate organised by P.E.P. Association

PEP environmental declaration: Uses and benefits

On **Tuesday 24th of January 2017, from 10.00am to 1.00pm,**
in Espace Hamelin (17 rue de l'Amiral Hamelin – 75 016 PARIS – France)

Come and meet with producers and users of PEP ecopassport® environmental declarations:

>> Guest of honour: Emmanuel Acchiardi (French government, Deputy Director of quality and sustainable development in construction)

>> 1st round table: How to take into consideration the PEP declaration of an equipment in the building lifecycle assessment

With the participation of Isabelle BOYEAU (Eiffage), Anne-Sophie PERRISSIN-FABERT (HQE) and Nathalie TCHANG (Tribu énergie)

>> 2nd round table: The use of PEP declarations in the industrial and infrastructure sectors

With the participation of Véronique ANDRIES (Alstom), Jean-Claude DA ROCHA (Sycabel) and Julie ORGELET (CODDE Bureau Veritas)

Due to limited seats, you can already pre-register now by contacting sgervais@gimelec.fr

Detailed program will come soon

PEP ecopassport®:

THE international environmental product declaration program to edit the environmental impacts of electric, electronic and HVAC-R equipment."
